This is the case we split the claims between class 705 and art class 715. I sent the restriction and the applicant has elected the class 715 group (claims 19-57).

Would please transfer this case to an examiner of your art so it be worked on ASAP.

thanks

Wynn,

would you please check if you can sign off first group (claims 1-18). Class 715 (document processing) will examine the rest of the claims.

Abdullahi;

If it's a shopping cart, you might want to try 3625. I'm not sure if belongs to them, but contact a primary in 3625.
